Subject: Re: how to sign up for EPA regional press releases

Hi Lizzie:

I've added Robert and George to this email to send any information if available. I'm not covering the spill.

There should be a way to sign up for releases in the region 8 and 6 press rooms.

Rich Mylott in region 8 and Jennah Duran in region 6 should be able to help if you are having difficulty.

I can walk you through if you are having trouble.

Cathy

Hi Cathy

I get the EPA HQ releases and Region 10 releases but I've been trying to follow the mine waste release to the Animas River in Colorado and there is nothing about it posted to either the Region 8 or Region 6 EPA press release web pages.

Colleagues seem to be receiving releases but I don't see any place to sign up for any regional releases on EPA web pages at the moment. Can I trouble you to point me to how I can sign up for Region 8, 9 and 6 releases?

Thanks so much - best, Lizzie Grossman
